

Press Release 21.03.2012

## **General Meeting of the Selonda Group unanimously approves the merger with Interfish S.A.**

The management of the Selonda Group would like to express its satisfaction with the unanimous approval of the merger with Interfish S.A. in today's General Meeting, attended by shareholders representing 51,61% of the total listed shares.

John Stephanis, CEO of Selonda, stated: "today, all shareholders present or duly represented supported our proposal for the merger of Interfish, confirming once again their concurrence with our vision for the company's future growth and development as well as their trust in Selonda's Management. We will continue on the same course in order to make the company even stronger to the benefit of the Selonda Group, its shareholders, its employees, and the entire Greek Aquaculture industry. I would like to warmly thank the 317 shareholders for their active participation and undivided support in our efforts."
